

2018 SEC 1 going to 2019 SEC 2 SCIENCE

GETTING READY FOR SEC 2 PHYSICS HEADSTART

Whatsapp 9100-1235 to
find out more!

5 X 2 hours headstart

PMC believes strongly in **(head start) - going ahead** of the school. Our past students have benefit greatly from the head start lessons as it offers them the confidence to start the new year and “insurance” in case they cannot follow the lessons in school early in the year. Head start lessons also allow us to have time for revision before the school assessments in the new year. Revision is important as we can focus on developing the problem solving skillset of the students at the right time just before any assessment. PMC programme is planned carefully to help the student excel with the correct pacing and minimum stress.

CLASS	DAY / TIME	LOCATION	TOPICS
